Dear Ms. Dortch:

On September 15, Bryan Tramont of Wilkinson Barker Knauer, LLP, on behalf of New DBSD Satellite Services G.P., Debtor-in-Possession (with its debtor-affiliates, "DBSD"), had a telephone call with Paul de Sa, Chief of the Office of Strategic Planning and Policy Analysis, regarding the above-referenced applications ("Applications").

During the telephone call, DBSD renewed its request for immediate action on the Applications and reiterated points raised in various Commission filings in support of the Applications. In particular, DBSD noted that relocation issues raised in other Commission proceedings are unrelated to the Applications and should not delay action on the Applications or hinder the normal operations of the bankruptcy process. DBSD further emphasized that it is being seriously harmed by the unusual delay in the Commission's review of bankruptcy-related transfer applications.
